THE 1772 FOUNDATION

Announcement

2016 New Jersey Historic Preservation Matching Grants for Private Non-Profit Organizations

in cooperation with the New Jersey Historic Trust

The 1772 Foundation has announced that funding in the form of 1:1 matching grants of up to $15,000 will be made available for the following historic preservation projects: exterior painting; finishes and surface restoration; installation or upgrade of fire detection, lightning protection and security systems; porch, roof and window repair/restoration; structural foundation and sill repair/replacement; and chimney and masonry repointing.

To demonstrate the sustainability of historic sites, applicants may be required to submit a cyclical maintenance plan, condition assessment, restoration plan or stewardship plan that has been prepared or updated within the last five years. If an appropriate plan does not exist, the Foundation will consider providing support for development of a plan on a case-by-case basis.

The 1772 Foundation is accepting applications submitted on or before December 16, 2015 for consideration at its May Board meeting.

Applications will be reviewed with the assistance of the New Jersey Historic Trust.

Applications should be submitted to njht@dca.nj.gov and use 1772 Foundation in the subject line.

To be eligible to apply, organizations must have a 501c3 IRS designation. Funding will not be provided for schools or churches.

The Foundation will consider the following:

- Matching grants for exterior painting; finishes, and surface restoration
- Matching grants to install or upgrade fire detection, lightning protection and security systems
- Matching grants for repair/restoration of porches, roofs and windows
- Matching grants for structural foundation and sill repair/replacement
- Matching grants for chimney and masonry repointing
